3D Dental Care  
6100 Franconia Road, Suite A, Alexandria, VA 22310  
703-922-8440

#### FINANCIAL POLICY

Our primary goal is not to allow the cost of treatment to prevent you from benefiting from the quality care you need or desire. In our office we strive to maximize your insurance benefits and make any remaining balance easily affordable.

Our fees are based on the quality materials we use, effort, and skill required in performing your needed treatment. We charge what is usual, customary, and reasonable for your area. We will assist you in your benefit eligibility before treatment to help you estimate/calculate your cost and maximize your insurance. As a courtesy, our office will submit claims necessary to see that you receive the full benefits of your coverage; however we can not guarantee any estimated coverage. At the time service is rendered you are expected to pay any coinsurance and deductible amounts that are estimated. Ultimately, however, you are responsible for payment regardless of any insurance companies arbitrary determination of a claim. You are expected to pay any remaining balance upon receipt of your insurance explanation of benefits or account statement from our office.

We accept the following forms of payment: Cash, Check, Amex, Visa, MasterCard, and Discover. In addition, we participate with Care Credit, and LendingClub, patient payment programs, upon approval, offering a range of no interest and extended payment plans for treatment fees. Returned check fee is 25.00

We will be sensitive to your financial circumstances and do everything possible to help you achieve good oral health. We encourage you to discuss any concerns regarding your account, or financial arrangements prior to treatment with our office manager.
